

Body Language: Reading Body Language as a Sales Tool

Body language can make or break our efforts to establish long, trusting relationships. Our body language can help to reinforce and add credibility to what we say, or it can contradict our words. Understanding what signals you are sending, as well as being able to read the signals that your clients send, is an essential skill in sales and throughout our lives. What is your body language saying about you? Find out in this one day workshop!
